v.	§

BENITO GALVAN (3)	§	

MEMORANDUM ADOPTING REPORT AND RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE

Came on for consideration the above-referenced criminal action, the Court having heretofore referred the request for the revocation of Defendant's supervised release to the United States Magistrate Judge for proper consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before the Court as well as his right to object to the report of the Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is therefore **ORDERED** that the Report and Recommendation of United States Magistrate Judge is **ADOPTED** as the opinion of the Court.

It is further **ORDERED** that Defendant's supervised release is hereby **REVOKED**.

It is further **ORDERED** that Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for an additional term of imprisonment of ten (10) months, with thirty (30) months of supervised release to follow.

The Court further recommends the imposition of the special conditions set forth in the Report and Recommendation, as follows:

You must provide the probation officer with access to any requested financial information for purposes of monitoring your sources of income.

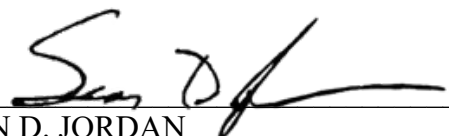

You must participate in a program of testing and treatment for drug abuse and follow the rules and regulations of that program until discharged. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must pay delinquent child support at no less than ten percent of your gross monthly income or any amount determined by the Texas State Attorney General's Office, if that agency has an active plan to collect the money.

You must reside in a residential reentry center or similar facility, in a prerelease component for a period of 180 days to commence immediately upon release from confinement and shall observe the rules of that facility. Upon securing a suitable residence approved by the U.S. Probation Officer, you shall be released from the facility.

The Court also recommends that Defendant be housed in a Bureau of Prisons facility in the North Texas area, if appropriate.

So ORDERED and SIGNED this 10th day of July, 2023.

SEAN D. JORDAN
